

# Announcing the 2019 LISEF – Broadcom MASTERS

## A Science Fair for Middle School Students

Sponsored by the Long Island Science and Engineering Fair,  
Society for Science & the Public, and Broadcom

The Society for Science and the Public (SSP) has partnered with Broadcom to launch the Broadcom MASTERS™ National Middle School Science and Engineering Competition.

**This program is open to students in grades 6, 7, and 8.**

Under the guidance of their science teachers, students perform a science investigation. The results of the investigation are presented at the LISEF – SSP Broadcom MASTERS Fair.

**When:** The LISEF – SSP Broadcom MASTERS Fair will take place on **Thursday, March 14, 2019.**

**Where:** Crest Hollow Country Club, Woodbury, New York.

- Liaison and Student registration opens on the website on **November 1, 2018**. Each school may send up to **ten (10)** projects. Students may compete as individuals or as members of a team (maximum of three (3) students/team) from the same school.
- Each school MUST have a school liaison.
- Depending on the number of registered projects, send between 1 and 3 teachers who will act as a judge at the Fair.
- The fee for the program is \$45 *per student*. LISEF – SSP is BOCES aid-able. (School districts can pay the application fee through BOCES. If paying through BOCES, the fee is \$50 per student; this cost is inclusive of the BOCES administrative fees.) Fees (or BOCES Forms) must be received no later than **March 7, 2019**.
- TEACHER ONLINE APPLICATION REGISTRATION DEADLINE IS **January 23, 2019 @ 8:00 p.m.** All participants (including members of a team) must be students affiliated with a Nassau or Suffolk County educational institution.
- Students whose projects earn top honors at the LISEF – SSP Fair will advance to the National competition. Details about National program can be found at the SSP web site: <http://www.societyforscience.org/masters>

### How Does Your School Participate?

- Review the LISEF-SSP Broadcom MASTERS Fair Rules and Guidelines, which can be found on the MIDDLE SCHOOL link at the LISEF website, [www.lisef.org](http://www.lisef.org)
- Complete the on-line registration form and select the appropriate payment method, which can be found at the LISEF web site, [www.lisef.org](http://www.lisef.org).
- Have students conduct a science research project, prepare a presentation board that describes the experiment, and be ready to orally communicate their findings at the LISEF-SSP Broadcom MASTERS Fair.
- Come to the LISEF-SSP Broadcom MASTERS Fair at Crest Hollow Country Club on Thursday, March 14, 2019.
- Depending on the number of registered projects, send between 1 and 3 teachers who will act as a judge at the Fair.
