

National Institute on Drug Abuse, Friends of NIDA, National Institutes of Health	Award	Prize	Name	School	Title
	Third	\$1,000	Joseph Hunter Yagoda	William A. Shine Great Neck South High School	<i>Risky Business: What Cognitive Factors Influence Risk Taking in the Academic Setting?</i>
Patent and Trademark Office Society	Award	Prize	Name	School	Title
	First	\$200	Celline Kim	Manhasset High School	<i>Environmental Toxin 4-Nonylphenol and Autoimmune Diseases: Using DNA Microarray to Examine Genetic Markers of Cytokine Activity</i>
	Second	\$150	Julia Elizabeth Poje	Valley Stream South High School	<i>A Molecular Automaton with Built-in Visual Display for Filovirus Identification</i>
			Pragya Kakani	Jericho Senior High School	<i>The Novel Use of Fluorescence Resonance Energy Transfer (FRET) to Observe Apoptosis in Oligodendrocytes</i>
Sierra Nevada College	Award	Prize	Name	School	Title
	First	\$24,000 Scholarship per year for 4 years	Jackie Bokor and Hannah Michele Berkowitz	Long Beach High School	<i>Enhancing Biofilters: The Impact of Abscisic Acid on the Sequestration of Heavy Metals by Euglena gracilis</i>
United Technologies Corporation	Award	Prize	Name	School	Title
	First	UTC Stock valued at approximately \$2,000	Brandon Li	Jericho Senior High School	<i>Pore Size Reduction of Electrospun Polyacrylonitrile (PAN) Scaffolds for High Performance Microfiltration</i>

United States Air Force	Award	Prize	Name	School	Title
	First	\$3,000	Alyssa Chelsea Ehrlich	South Side High School	<i>Effects of Starvation on Wild Type and Adipose60 Mutant Drosophila melanogaster</i>
United States Air Force	Second Team Award	\$1,000 each team member	Salonee Shah and Michelle Theresa Leonetti	Long Beach High School	<i>Building Enhanced Bioscaffolds: Improving the Stability and Wound-healing Properties of Biocompatible Scaffolds Using Hydrogels and Electrospun Fibers</i>
	Award	Prize	Name	School	Title
United States Army	First	\$3,000 in U. S. Savings Bonds	Pooja Rambhia	Jericho High School	<i>Modification of Fibrinogen Clotting in the Absence of Thrombin: A Novel Surface Chemistry Approach with Biomedical Applications</i>
			Joshua William Pfeffer	North Shore Hebrew Academy High School	<i>Super Kahler-Ricci Flow</i>
United States Navy and Marine Corps	Award	Prize	Name	School	Title
	First	\$8,000 Scholarship, at \$2,000 per year	Joshua William Pfeffer	North Shore Hebrew Academy High School	<i>Super Kahler-Ricci Flow</i>
Joshua Andrew Lewin-Jacus			Lynbrook Senior High School	<i>The Effects of Grazer Exclusion on the Colonization of Hard Substrates by Microbial Communities</i>
