Subject: New School Laboratory Safety Resource

From my lab safety group:

**I wanted to let you know that the (U.S.) National Library of Medicine is beginning a series of Tweets on K-12 School Laboratory Safety. This is the Twitter account for NLM SIS: https://twitter.com/NLM_SIS Noteworthy is that these Tweets go out to almost 15,000 followers. The first Tweet in this series went out 30 minutes ago:
Attn. science teachers: Info about reducing risks to student and teachers in the [#laboratory](#) at [#NLM](#): <http://go.usa.gov/ZsSB> [#NSTA](#)**

**Sincerely,
Bert Hakkinen**
