The screenshot displays the LISEF website interface. At the top, the LISEF logo is on the left, and navigation links for HOME, FAIRS, ABOUT, ETHICS, and CONTACT are on the right. Below the navigation bar is a large banner image with the text "JV Project Students" overlaid. Under the banner, there is a breadcrumb trail "Home » JV Project Students" and a login status "Logged in as:" followed by a text input field and a "Logout" link. A left sidebar contains a menu with "JV Student" (expanded), "Edit Registration", "View Students", "My Account", and "Logout". A yellow arrow points to "View Students". The main content area features a "+ Add JV Student" button highlighted with a yellow box. Below this is a table with columns: School, Project Title, First Name, Last Name, and Actions. The table contains one row for "abc high school" with "abc" as the project title. The "First" and "Last" name fields are highlighted with a yellow box. The "Actions" column has "Edit" and "Delete" links. At the bottom of the table area, there is a "25 records per page" selector and a pagination control showing "1" of 1 pages.
