Reminder for LISEF Liaisons

- Students CANNOT register until you register yourself and your school.
- Once you register as a liaison you are also an Adult Sponsor.
 - YOU DO NOT NEED TO ADD YOURSELF AS AN ADULT SPONSOR.
- Students CANNOT complete registration without an Adult Sponsor, so if you need to “Add Adult Sponsors” do so as soon as you register.
- Remember Adult Sponsors CANNOT register on their own. They must be added by the liaison, then they will get an email with a link to register as a AS.
- If you are the liaison for both LISEF and JV - Projects can be moved from LISEF to JV throughout the registration, or certification process. In addition, a project which was designed as a lottery slot, but your school was not awarded that lottery slot, can be moved to JV as long as the JV registration window is still open.
