# Adding a Team Member

The screenshot displays the LISEF Project Students web application. At the top, a banner image shows students working on project displays, with the text "LISEF Project Students" overlaid. Below the banner, a navigation bar includes a breadcrumb "Home » LISEF Project Students", a login status "Logged in as:" followed by a text input field, and a "Logout" link. A left sidebar contains a menu with the following items: "LISEF Student" (with a dropdown arrow), "Edit Registration", "View Students", "Project Uploads", "My Account", and "Logout". A yellow arrow points to the "View Students" item. The main content area features a "+ Add LISEF Student" button highlighted with a yellow box. Below this is a table with columns: "School", "Project Title", "First Name", "Last Name", and "Actions". The first row of data shows "Abbey Moore High School" for the school and "xyzxyz" for the project title. The "First Name" and "Last Name" columns are currently empty, with "First" and "Last" labels above them. The "Actions" column contains "Edit" and "Delete" links. At the bottom of the table area, there is a pagination control showing "25 records per page" and a page number "1" in a blue box with left and right navigation arrows.

# Uploading Project PDF or Consent Forms

(max 20MB; See LISEF Rules and Guidelines for more specific information about what should be included in uploads)

The screenshot shows the LISEF Project website. At the top is a banner image with the text "LISEF Project". Below the banner is a navigation bar with "Home » LISEF Project" on the left, "Logged in as: [username]" in the center, and a "Logout" link on the right. A dark blue sidebar on the left contains a menu with the following items: "LISEF Student" (with a dropdown arrow), "Edit Registration", "View Students", "Project Uploads" (highlighted with a yellow arrow), "My Account", and "Logout" (with an external link icon). The main content area has a "View Students" link at the top. Below it is a form titled "Primary Student" with fields for "Name and Email", "School" (filled with "Abbey Moore High School"), "Adult Sponsor" (filled with "Matt Tester"), "Number of Students" (filled with "2"), and "Category" (filled with "Animal Behavior").
